BOYCEVILLE PUBLIC LIBRARY

“Ellen, thank you so much for your support through the Arlien W. Carlson Library Legacy Fund grant! The funding made a big impact this summer. It allowed us to host our most popular summer reading program, featuring Bruce the Bug Guy, which drew a large crowd of excited kids. We also used the remaining funds to support our annual Cucumber Run, which had a record-breaking turnout of over 120 participants”.

“It cannot be overstated how much we appreciate Ellen Carlson and CFDC for making this possible.”

-Kallie Anderson, Boyceville Public Library
