

Making More Possible *Together*

At the Community Foundation of Dunn County, we believe generosity is one of the most powerful forces for good. When individuals, families, and businesses come together with a shared purpose, we don't just meet needs; we create new possibilities.

Thank you for being part of making this happen.

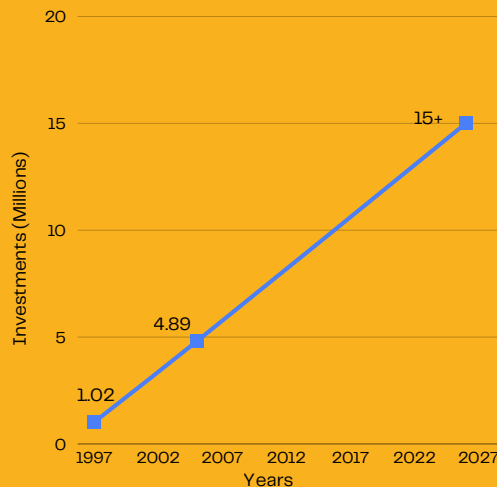

Your Legacy. Your Community. Your Impact.

Behind every number is a person who chose to make a difference.

Continued Giving

262 Grants awarded all ready in 2026 totaling \$585,200
77 Scholarships awarded in 2026 totaling \$72,000

Community Impact

From 1997, with 1.02 million invested, to 2026, with 15 million+, we are honored to continue growing your impact.

Making More Possible

208 current funds

\$830,000 granted in 2025
vs
\$1,000 granted in 1997

Your generosity is helping shape a community that will be here for generations to come. We are honored to carry your vision forward to make more possible.

For our current Legacy Members and others who have included us in their estate plans, we'd love to connect and make sure everything is up to date. If you're interested in learning more about Legacy giving, we'd be happy to sit down with you and explore what a lasting impact could look like for you.
