Application Form

Instructions

INSTRUCTIONS

Complete the grant application by responding to the fields below. Note that any fields with an asterisk are required fields and must be completed prior to submitting an application.

As you complete the form, the system will auto-save every 100 characters typed or every time you click out of a field. You may collapse question groups as you go, as an indicator to yourself that you've completed that section and to reduce scrolling.

The system also allows you to Save an application and come back to it before submitting. There is also a Collaborator feature that allows applicants to work together on a single request. https://docs.google.com/document/d/15NsdFgi3lBmBu0_pp1zj2HZ51l4mx8Wryjrx4FYOmdg/edit?usp=sharing Click here to learn about the collaborator feature. Contact the Community Foundation at (715) 232-8019 if you have any questions or problems with the form.

Request Overview

Project Title*

Please provide a descriptive Name/Title for this grant request.

Expanding Junior Achievement in Colfax

Amount Requested*

Typical grant amounts range from \$500 to \$5,000 or more.

\$5,000.00

Program Area*

Please check the program area that best categorizes this grant request.

Education

Geographic Area Served*

Please select which geographic area is primarily being served by this request.

Colfax Area

Does your organization function within Dunn County?*

Yes

Population Served*

Please select the specific population being served by this request. You can select age and income level in the next section. If the population this grant targets is not listed, please choose "General".

At-risk youth/teens

Age Group Served*

Please select the specific age group served by this grant request.

School-aged children and/or adolescents

Income Level Served*

Please select the income level of the target population being served by this request.

All income levels

Non Discrimination Policy*

In accordance with federal regulations, the Community Foundation of Dunn County does not discriminate based on race, color, creed, sex, religion, age, disability, sexual orientation, marital status or national origin. Do the applicant organization's employment and service practices comply with this policy?

Yes

About Your Organization

1. Organization Overview*

Please provide a brief background about your organization, including a short summary of the organization's history, mission, goals, accomplishments, and challenges.

Junior Achievement of Wisconsin's Northwest Region (JA-NW) is dedicated to empowering young people by helping them see the clear connection between their education and their future through JA's education experiences, students gain tools and direction needed to move forward with purpose. Established in Eau Claire in 1991, JA-NW partners with schools, businesses, community organizations, and volunteers to provide hands-on, evidence-based learning experiences that connect the classroom to the real world of work and careers. JA is instilling hope and confidence, connecting importance of education, equipping with future ready learning, gaining meaningful credentials, and connecting to employment opportunities.

Serving students in grades 2–12 and young adults, JA programs build the skills, mindsets, and confidence needed for financial responsibility, career success, entrepreneurship, and economic mobility. Through lessons focused on budgeting, saving, investing, workforce readiness, and economic empowerment, JA helps young people overcome barriers, pursue meaningful careers, and build self-sufficient futures while contributing to strong, thriving communities.

JA's unique partnership between business and education brings local expertise, career connections, and networking opportunities directly to students. Programs are delivered through local school districts, after-school programs, and community collaborations, supported by dedicated educators and volunteers. JA-NW's goal is to expand access to these essential learning experiences, particularly in communities where students may have fewer resources and opportunities.

Last year, JA-NW reached 15,000 students through more than 67,000 hours of programming, working with 470 educators and 540 volunteers across the region. In Dunn County specifically, JA programs reached 2,824 students during the last school year, with nearly 90 volunteers supporting programming in 12 schools. Based on school demographics, an estimated 42% of participating students faced economic challenges and 26% identified as racial or ethnic minorities.

JA-NW's long-standing presence, strong community partnerships, and volunteer-supported programming position the organization to help more young people develop the durable skills, financial knowledge, and real-world experience needed to succeed in today's economy and build thriving communities.

2. Current Initiatives*

Please describe your current programs, activities, community impact and the community's involvement or support of your organization.

The talent shortage continues to impact employers across the region, creating an urgent need to prepare young people for the workforce and connect them with career opportunities. At the same time, young people need opportunities to develop practical workplace skills and gain exposure to careers they may not otherwise encounter.

The Menomonie Chamber of Commerce recently highlighted this opportunity in its member newsletter, noting that when employers invest in youth and young adults, there is a "win-win scenario." Employers can expose young people to career opportunities and provide insight into industries such as manufacturing, construction trades, and information technology, while students gain valuable skills, remain engaged and motivated, and can explore potential career paths.

Junior Achievement offers a proven solution by bringing local employers, educators, and students together to build career awareness, financial capability, entrepreneurship, and workforce readiness. With funding support, JA-NW will collaborate with local employers and the Dunn County community to expand programming into Colfax. Business volunteers will be recruited and trained to deliver JA curriculum alongside educators, providing students with meaningful, real-world exposure to careers, financial literacy, entrepreneurship, and essential workplace skills.

We strengthen communities by creating environments where students are supported to succeed. As students are prepared for post-high school pathways, communities benefit from higher rates of employment and accelerated economic mobility.

For more than 35 years, JA has partnered with schools throughout Dunn County, serving students in grades 2–5, middle school, and high school business and marketing courses. These longstanding partnerships allow JA to align its programming with Wisconsin academic standards and state requirements. JA can help schools meet and enhance personal financial education requirements through age-appropriate financial literacy programming that spans elementary through high school.

We are requesting funding to ensure rural school districts such as Colfax have access to the same high-quality career readiness, financial literacy, and entrepreneurship experiences available to students in neighboring communities. The Colfax School District serves more than 700 students, with more than 43% identified as economically disadvantaged. At the same time, Colfax is a high-performing district, with a 13:1 elementary student-to-teacher ratio and rankings in the top 20% of Wisconsin schools for math and reading.

JA-NW seeks to partner with Colfax schools to strengthen elementary programming while establishing a sustainable, long-term partnership. During the first year, JA will focus on reaching approximately 200 elementary students and establishing a satellite rural JA committee of five community and education leaders to help build a lasting presence in Colfax.

The project also includes an investment in high school career readiness. JA-NW is seeking funding to acquire new credentialing curriculum for high school students through JA's Essential Skills for Work skills for work program. The program will replace the current JA it's My Job curriculum and provide teens with opportunities to develop and formally demonstrate the critical skills and competencies needed for career success.

3. Organizational Structure*

Describe the current structure of your organization, including how the organization functions on a daily basis. (CEO, staff, volunteers, etc.)

Day-to-day operations are led by JA-NW staff, including Regional Director Susan Peterson; Education Managers Emilee Perkins, Alisha Klemish, Marketing Manager and Abi Heintz; and Operations Assistant Sara Bates. Susan Peterson has served as Regional Director since June 2008, providing long-term stability, leadership, and sustained relationships throughout the region.

JA-NW staff develop relationships with local school districts, recruit and train volunteers, raise funds through events and annual appeals, and promote JA programs throughout the region. The JA-NW Board of Directors provides fiduciary oversight, governance, program support, and fundraising assistance. Board representatives with significant business and community connections in the Menomonie and Dunn County area include Taylor Tarras of Royal Credit Union, Bryan Barts of UW-Stout, Natti Marlaire of Chippewa Valley Technical College, Kyrah Klika of WESTconsin Credit Union, Taree Ryan of Cardinal FG, and Duane Winkelmann of 3M.

JA's programming relies heavily on community volunteers. Local business leaders and employees are recruited, trained, and provided with JA curriculum to work alongside educators and engage directly with students. Last year, more than 500 volunteers supported JA activities throughout the region, providing students with valuable connections to the local business community and real-world career experiences.

JA-WI NW is part of a statewide organization that provides financial and operational efficiencies, including shared back-office services. The statewide organization also provides resources and support that strengthen local programming. In addition, JA is part of a national movement that provides curriculum, materials, training, branding, and marketing resources, that align with statewide educational requirements.

JA-NW also leverages partnerships with other organizations to efficiently utilize community resources and advance shared goals. These partnerships include the Fostering Success Program, Boys and Girls Club of the Greater Chippewa Valley, the Menomonie Chamber of Commerce Workforce Committee, and the Wisconsin Department of Workforce Development's statewide apprenticeship program. JA-NW also maintains 30-plus-year relationships with several school districts throughout the region.

About the Grant

What is the community need that this request addresses?*

The Colfax School District and its students would benefit significantly from expanded access to financial wellness, career readiness, and entrepreneurship education. With more than 700 students in the district, there is a strong opportunity to equip young people with practical skills and knowledge that will benefit them throughout their lives and prepare them for success in postsecondary education, the workforce, and their communities.

JA is seeking funding to expand its proven programming into Colfax and provide students with meaningful opportunities to connect classroom learning to real-world experiences. During the first year, JA will focus on reaching approximately 200 elementary students while establishing a satellite rural JA committee of five community and education leaders to build a sustainable, long-term presence in Colfax.

Local business professionals will engage directly with students, sharing their real-world knowledge, career experiences, and examples that help young people better understand the skills and opportunities available in their own community. JA students also demonstrate measurable knowledge gains through program participation, reinforcing the value of hands-on, experiential learning.

The need extends beyond elementary education. Today's learners need more than classroom knowledge; they need durable skills, verified competencies, and clear evidence of career and postsecondary readiness. JA is seeking to add credentialing through its Essential Skills for Work program at the high school level, replacing the current JA My Job curriculum. The program will provide students with opportunities to develop and earn credentials that validate essential workplace competencies and can be shared with prospective employers, colleges, educators, and other stakeholders.

This credentialing opportunity fills an important gap by ensuring that the skills students develop are formally recognized and documented. Without credentials, students may gain valuable workplace skills but have limited ways to demonstrate or validate those competencies to employers and postsecondary institutions. Digital credentials give students a tangible way to showcase their achievements, strengthen their resumes, and demonstrate career readiness as they transition to higher education and the workforce.

Expanding JA into Colfax and strengthening high school programming with credentialing, students will gain access to financial literacy, career exploration, entrepreneurship, and essential workplace skills. In the 2nd year, JA also plans to offer a high school business competition focused on investing and business decision-making, providing additional opportunities for students to apply their knowledge in authentic, career-connected experiences. Together, these efforts will help ensure students have the skills, credentials, confidence, and community connections needed to pursue opportunity-filled futures while helping strengthen the local workforce pipeline.

Project Goals and Activities*

Describe the specific goals and activities of your project and how they will be carried out or accomplished.

During the 2026–2027 school year, JA-NW will expand programming into the Colfax School District and strengthen career readiness opportunities for local high school students. The project will focus on three primary goals:

1. Launch JA programming for 200 elementary students. JA-NW will recruit and train local business volunteers and partner with Colfax educators to deliver JA curriculum to approximately 200 students during the 2026–2027 school year. Programming will provide hands-on learning opportunities focused on financial literacy, career readiness, entrepreneurship, and essential workplace skills.

2. Establish a strong, sustainable partnership with the Colfax School District. JA-NW will work collaboratively with school and community leaders to build a long-term partnership that integrates JA programming into the school experience and expands access to career-connected learning opportunities for Colfax students.

3. Introduce six career-readiness credentials to high school students in Menomonie and Colfax High School. JA-NW will purchase JA Credentialing Curriculum from JA USA and implement a pilot of the JAEssential Skills for Work credentialing program, allowing high school students to earn credentials in six critical areas:

- Creativity and Innovation
- Cultural Agility
- Critical and Analytical Thinking
- Engaging Communication
- Effective Collaboration
- Self-Direction

Through this program, students will develop essential workplace skills, critical thinking, communication, and interview preparation skills, including opportunities to participate in mock interviews with local business professionals. By completing the credentialing process, students will not only gain valuable career readiness skills but also earn credentials they can add to their resumes linked-in, and to essential industry conversations. This will carry with them beyond high school.

These credentials provide students with a tangible way to demonstrate career readiness and showcase the durable skills that employers and postsecondary institutions value. The project will help ensure Colfax students leave high school better prepared to pursue employment, postsecondary education, and meaningful career opportunities.

Project Outcomes*

Describe the anticipated outcomes resulting from this grant project, its impact and how the community will be better served.

By the end of the 2026–2027 school year, Junior Achievement of Wisconsin’s Northwest Region (JA-NW) expects to achieve the following outcomes:

1. Approximately 200 Colfax elementary students will participate in JA programming focused on financial literacy, career readiness, entrepreneurship, and essential workplace skills, gaining practical knowledge and real-world experiences that prepare them for future success.
2. JA-NW will establish a strong, sustainable partnership with the Colfax School District, educators, local businesses, and community leaders, creating a foundation for continued programming and expanded career-connected learning opportunities.
3. JA-NW will purchase JA’s Essential Skills for Work credentialing curriculum, providing high school students with the opportunity to earn six career-readiness credentials in Creativity and Innovation, Cultural Agility, Critical and Analytical Thinking, Engaging Communication, Effective Collaboration, and Self-Direction.
4. Students participating in the credentialing program will strengthen critical workplace skills, including communication, collaboration, critical thinking, self-direction, and interview preparation through experiences such as mock interviews with local business professionals. Students will earn industry-recognized digital credentials that can be added to resumes and shared with employers and postsecondary institutions.
5. Students will increase their exposure to local employers and career pathways, building valuable community connections while gaining a better understanding of workforce expectations and employment opportunities in the region.

6. JA-NW will establish a foundation for long-term growth in Colfax, with plans to expand programming to additional students while strengthening the local talent pipeline and supporting workforce development and economic mobility.

7. Project success will be measured through both quantitative and qualitative outcomes. Quantitative measures will include the number of students served, programs delivered, instructional minutes, participating educators, volunteers, and volunteer hours. Qualitative outcomes will be assessed through pre- and post-program surveys, knowledge assessments, and evaluations measuring student knowledge gain, attitudes, and behavior change related to financial literacy, career readiness, and workplace skills.

Research demonstrates JA's long-term impact on participants. Among surveyed JA alumni, 85% believe JA played an important role in achieving their goals, 83% report increased confidence, and 79% say JA contributed to both their professional development and decision to pursue further education. These results demonstrate JA's ability to create lasting impacts that extend beyond the classroom and contribute to a stronger, more prepared workforce.

Beyond Colfax, the credentialing opportunity has the potential to expand to Menomonie High School's career readiness and business courses, where JA has maintained a long-standing educational partnership. Expanding credentialing across multiple school districts will allow more students to earn recognized workplace credentials while strengthening the region's future workforce.

Anticipated Challenges*

Describe any anticipated challenges and how you will meet them.

Junior Achievement has a longstanding history of successfully launching programming in new communities and establishing sustainable partnerships with schools, businesses, and community organizations. However, expanding into a new school district such as Colfax may present challenges, including recruiting and training new volunteers, establishing relationships with school district and school leadership, and developing connections with potential local donors and community partners.

JA-NW is confident in its ability to navigate these challenges by drawing on its extensive experience successfully expanding programming into new communities. JA staff will leverage proven strategies for volunteer recruitment, school engagement, and community relationship building while working closely with Colfax school and community leaders. The organization will also utilize its existing relationships and reputation throughout Dunn County to help establish new connections and build local support.

While building a new presence requires time and relationship development, JA's previous successes provide a strong foundation for addressing these challenges. Through consistent communication, collaboration, and a commitment to serving the needs of Colfax students and educators, JA-NW is confident it can establish a strong and sustainable program that will continue to grow beyond the first year.

Sustainability*

Please describe how you will fund and continue to sustain these activities beyond the grant period.

Junior Achievement of Wisconsin's Northwest Region (JA-NW) sustains its programs through a diversified funding strategy that includes business, organization, and individual donations, foundation grants, annual appeals, and fundraising events. This balanced approach reduces reliance on any single funding source while supporting continued growth.

JA-NW's volunteer-driven model allows the organization to operate efficiently while building strong relationships with local businesses. As programming expands into Colfax, JA expects both its volunteer network and donor base to grow, creating long-term community investment in the program.

JA-NW will continue building awareness through outreach to educators, parents, businesses, and community leaders using newsletters, networking events, social media, board engagement, and community presentations. The organization will also pursue additional foundation and corporate funding while cultivating local donors and partners in Dunn County.

The initial investment in Colfax programming and high school credentialing will establish a sustainable foundation for future growth. JA plans to expand programming, career-connected learning opportunities, and high school business competitions in future years. Through diversified fundraising, strong community partnerships, and efficient program delivery, JA-NW is committed to sustaining and growing these opportunities well beyond the grant period.

Staff - Project Summary*

Looking to start a new Junior Achievement in Colfax for students to learn business skills, career skills, and prepare for their futures.

Grant Project Budget

Anticipated Project Income*

Please list out all anticipated sources of income for this specific grant project with amounts and whether the funding is approved or pending.

Ex: Dunn Energy Cooperative: \$1,000 - Approved

Women's Giving Circle of Dunn County- \$5,000 (requested)

Dunn County Community Impact Grant- \$5,000 (requested)

Local organizations sponsorships; WESTconsin Credit Union, Northwestern Bank, 3M- \$2,500 (pledged)

For the first year, we are seeking seed funding to fully support the launch of this new initiative. This initial investment will allow JA to focus on successfully implementing the program, training volunteers, and cultivating strong community and school partnerships. By establishing a strong foundation in year one, we can transition our focus to fundraising and long-term sustainability beginning in year two.

Total Project Expenses*

What are the total expenses for this particular grant project? This may be more than your grant request amount and helps us to understand if the Foundation is funding a portion of the project or the full cost of the project.

\$12,338.00

Project Expenses Description*

Please itemize the expenses for this grant project, including a short description of each item and the anticipated cost. (Personnel, Materials and Supplies, etc.) If this grant is to cover a portion of the project, please list all expenses of the project and then specify which expenses you anticipate being supported by this CFDC grant.

The total cost to launch Junior Achievement programming in Colfax and bring credentialing to high school students is \$12,338, as shown on the attached budget. Expenses will support the staff time needed to coordinate programming, recruit and train volunteers, provide marketing and program support, and manage local operations. Additional costs include program insurance required through JA USA, office supplies, postage and freight for educational materials, staff travel, and program materials and student-based resources needed to deliver high-quality programming. The budget also includes a portion of fixed operating costs, such as office operations, subscriptions, and public relations, as well as fundraising expenses that support the long-term sustainability and expansion of JA programming. Together, these expenses provide the infrastructure, materials, staffing, and support necessary to successfully launch programming in Colfax, deliver career-connected learning experiences, and implement the Essential Skills for Work credentialing program for high school students.

Project Budget Upload

(Optional) You may upload a separate file of your own, representing this grant request's Project Budget. For help creating the document, you can click here to download our Grant Project Budget template.

(Optional) You may upload additional supporting documents to your request. If this grant request is to purchase a specific item or equipment, please upload a financial quote or spec sheet about the item here.

Staff - Project Budget Summary*

Brief sentence about how the grant budget is broken down by item.

The 5K out of the total amount for the project has not been laid out. Unclear what CFDC would be funding. Some concerns about funding staffing. As a note, the Women's Giving Circle Grant they requested was not funded.

Required Organization Financials

Current Board of Directors*

Please upload a list of your organization's current Board of Directors.

NWD Board List 25-26.pdf

Organizational Budget*

Please upload your organization's most recent Operating Budget with projected revenues and expenses.

NWD 26-27 Budget Final.pdf

Audited Financials

Please upload a copy of your organization's current Audited Financial Statement, if you are required to file.

2025 JA of Wis. Audited Financial Statements & Signed Final Report.pdf

Audit Opt-Out

Under Wis. Stat. § 202.12 | a charitable organization with annual contributions over \$500,000 must file an audited financial statement and include the opinion of an independent CPA. A charitable organization with annual contributions less than \$500,000 and over \$300,000 must file a financial statement reviewed by an independent CPA. If you do not upload an audit or financial statement, please verify that your organization is not required to based on this state statute.

Proof of 990 Filing*

Please upload proof of current IRS 990 Filing. You may upload the first page only; the full 990 document is not required.

990 1st page 2026.pdf

Authorization

Applicant Agreement*

As the applicant submitting this request on behalf of the organization, you certify that:

- The information provided in this application is complete and accurate to the best of your knowledge.
- Falsification of information will result in termination of any award granted.
- You have discussed this project and grant request with the necessary authorized representatives at your organization. They support this request and the proposed allocation of funding.

If awarded a grant, the organization will:

- **Carry out the activities and expend grant funds as described in the proposal, to the best of their ability.**
- **Submit significant changes in the scope or budget of the project to the Foundation for approval.**
- **Complete and submit written reports as required no later than 12 months from the date the grant is awarded.**
- **Acknowledge the role of the Community Foundation of Dunn County in supporting the organization in communications with their board and the public.**
- **Provide copies of all publicity, press releases or promotional materials. If available, provide photos in digital format.**

I agree

Office Supplies	\$250
Staffing	\$2196
Program Supplies	\$2850

Travel	\$70
Total Project Expense:	\$12,338

May 29, 2026

On behalf of Northwestern Bank and the community of Colfax, I am pleased to offer this letter of strong support for Junior Achievement of Wisconsin Northwest and its expansion into Colfax, Wisconsin, beginning in the 2026–2027 school year and continuing in the years that follow.

My name is Lacey Logslett, and I'm a Colfax community member, Colfax High School graduate, and employee at Northwestern Bank. Through my work in the community and ongoing conversations with local educational leaders, I have seen firsthand the growing need for impactful, financial literacy, career readiness, and entrepreneurship education opportunities for students in the Colfax School District. Junior Achievement's (JA) proven programming aligns closely with these needs and offers an exceptional framework for equipping students with skills that will benefit them throughout their lives.

To give the students of Colfax these opportunities, we propose implementing JA in the Colfax School District. I have established a plan to meet with JA staff, community members, and the school district in the summer of 2026 to begin this process and develop the committee. Already, I have scheduled meetings with key stakeholders in the Colfax School District, including the district's new superintendent and a district guidance counselor, to explore the implementation of Junior Achievement programming.

Northwestern Bank is committed to being a volunteer partner in this effort. We recognize that investing in students today strengthens our workforce, our local economy, and our communities for the future. As such, we are prepared to support Junior Achievement's work in Colfax through volunteer engagement and ongoing collaboration with school partners.

We respectfully support Junior Achievement of Wisconsin Northwest's grant request to the Dunn County Community Foundation to expand programming into Colfax. Funding from your organization will play a critical role in ensuring a successful launch, providing essential resources, training, and coordination needed to deliver high-quality programming to students.

Thank you for your consideration and for your investment in educational opportunities that empower young people to succeed.

Sincerely,

Lacey Logslett
Vice President, Northwestern Bank

INDEPENDENT AUDITORS' REPORT

Board of Directors
Junior Achievement of Wisconsin, Inc.
Milwaukee, Wisconsin

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Junior Achievement of Wisconsin, Inc., which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Junior Achievement of Wisconsin, Inc. as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Junior Achievement of Wisconsin, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Junior Achievement of Wisconsin, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Junior Achievement of Wisconsin, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Junior Achievement of Wisconsin, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Junior Achievement of Wisconsin, Inc. (the Organization) is a charter member of Junior Achievement USA (JA USA). The Organization is a nonprofit corporation organized and existing under the laws of the state of Wisconsin and is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Organization was created for the purposes of educating and inspiring young people to value free enterprise and understand business and economics to improve the quality of their lives. A description of their programs are as follows:

High School, Middle School, and Elementary School Programs

The Organization's School Experience courses are a series of teacher-led, semester-long, experiential, blended learning courses designed to empower students to own their economic success.

Capstone and NE Capstone

The Organization will increase financial and economic literacy of Wisconsin youth through real-life simulations; JA BizTown and JA Finance Park. The Organization will provide 20,000 students annually the opportunity to actively participate in experiential learning opportunities regarding personal finance, work readiness and entrepreneurship and real experiences.

3DE

A program designed to systematically re-engineer high school education and expand economic opportunity for all students was launched during the 2023-24 school year in two Milwaukee high schools. 3DE by the Organization collaborates with local and national case partners to develop real-life business challenges that are incorporated into the high school curriculum. Students study the case problems, examining them through the lenses of each of their core classrooms. At the end of each six-week period, student cohorts present their solutions to the case partners.

The Organization is composed of 13 areas and includes the Junior Achievement Women's Association (JAWA). JAWA's purpose is to promote the objectives of the Organization, including raising funds to further such objectives.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation

Net assets of the Organization are classified as follows:

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

Cash

The Organization considers all petty cash, checking accounts and investments with original maturities of three months or less to be cash.

Accounts Receivable

Accounts receivable are stated at the amount the Organization expects to collect from outstanding balances. Credit is extended on a short-term basis and collateral is not required. Accounts receivable do not bear interest or a finance charge. The Organization uses a combination of historical loss experience, current economic conditions, and forward-looking information to estimate credit losses for financial assets. The Organization considers various factors such as borrower creditworthiness and probability of default to estimate credit losses. Management has concluded that credit losses on balances outstanding at year-end will be immaterial.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Promises Receivable

Unconditional promises receivable that are expected to be collected within one year are recorded at net realizable value. Unconditional promises receivable that are expected to be collected beyond one year are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discount is included in contribution revenue. Conditional promises receivable are recognized only when the conditions on which they depend are substantially met. The Organization believes that an allowance for promises to give is not necessary based upon management's judgment and analysis of the creditworthiness of the donors, past collection experience and other relevant factors.

Property and Equipment

The Organization's capitalization policy is to capitalize all acquisitions and improvements in excess of \$1,000. Purchased property and equipment is carried at cost. Donated property and equipment is carried at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Expenditures for repairs and maintenance are charged to operations as incurred.

Valuation of Investments and Income Recognition

The Organization carries its investments at fair value in the statements of financial position. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements. Realized and unrealized gains and losses are included in the change in net assets in the accompanying statements of activities. Investment income of dividend and interest is recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis.

Investment income and gains restricted by donors are reported as increases in net assets without donor restrictions if the restrictions are met (either a stipulated time period ends, or a purpose restriction is accomplished) in the reporting period in which the income and gains are recognized.

Public Support and Revenue Recognition

Contributions are recognized as revenue when they are received or unconditionally promised. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Public Support and Revenue Recognition (Continued)

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills and would otherwise be purchased by the Organization.

Revenue related to class sales and student fees are recognized as services are performed to schools. Revenue received during the current period in exchange for services that will occur in the next fiscal period is deferred until that time, these are reflected in contributions on the statements of activities and the exchange portion is included in Note 17. Employee Retention Credit revenue is recognized when conditions related to the credits are substantially met.

Special event revenue is equal to the fair value of direct benefits to donors. The excess of amounts received over the fair value of these benefits is recorded as contribution revenue. The contribution portion is recognized at a point in time when received and the direct benefits to donors portion is recognized when events occur. Special event revenue received during the current period in exchange for services that will occur in the next fiscal period is deferred until that time.

Functional Allocation of Expenses

The cost of providing various programs and other activities has been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail by function. Functional expenses are charged to each program or support service based on direct expenditures incurred. Any expenditures not directly chargeable are allocated to the programs or support service based on budgeted number of classrooms or students. In addition, the Organization allocates program costs to solicitation of program volunteers based upon actual time studies.

Leases

The Organization determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating in the statements of financial position.

ROU assets represent the Organization's right to use an underlying asset for the lease term, and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right-of-use assets on the statements of financial position.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of all lease liabilities.

The Organization has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

Income Tax Status

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2). The Organization is also exempt from Wisconsin income taxes.

Concentration of Credit Risk

The Organization maintains its bank accounts at various financial institutions. Deposits with financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) in the amount of \$250,000 per insured depository institution. The Organization's cash deposits may exceed these federally insured limits at times during the year. At June 30, 2025 and 2024, the Organization had \$761,661 and \$974,130, respectively, in excess of FDIC insurance limits. The Organization has not experienced any losses on these accounts. Management believes the Organization is not exposed to any significant credit risk on cash.

The Organization defines a major donor as any donor accounting for 10% or more of the Organization's contributions during a fiscal year. During the years ended June 30, 2025 and 2024 the Organization did not have any donor exceed 10% of the Organization's total contributions.

Reclassification

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between period presented. The reclassifications had no impact on previously reported net assets.

Subsequent Events

The Organization has evaluated events and transactions for potential recognition and disclosure in the financial statements through December 10, 2025, the date on which the financial statements were available to be issued.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, is comprised of the following as of June 30:

	2025	2024
Cash	\$ 1,024,452	\$ 1,143,892
Accounts Receivable	4,000	219,168
Promises to Give, Current	311,175	725,227
Total	<u>\$ 1,339,627</u>	<u>\$ 2,088,287</u>

The Organization maintains a policy of structuring its financial assets to be available as general expenditures and liabilities come due. The Organization's endowment funds (see Note 11) consist of donor-restricted endowments, some of which are restricted for use in program or administrative services.

The Organization has a line of credit available to meet short-term needs. See Note 14 for terms.

NOTE 3 CONTRIBUTED GOODS AND SERVICES

Individuals and corporations provide goods and professional services to the Organization free of charge. These contributed goods and services have been recognized in the financial statements for the years ended June 30, 2025 and 2024 as follows:

	2025	2024
Revenues:		
Contributions Without Donor Restrictions	\$ 31,049	\$ 76,497
Special Event Revenues	282,696	275,633
Special Event Expenses	(282,696)	(275,633)
Total	<u>31,049</u>	<u>76,497</u>
Expenses:		
High School Program	3,947	1,957
Middle School Program	5,744	5,563
Elementary School Program	11,065	16,614
Capstone	-	20,919
Management and General	5,734	26,254
Fundraising	4,559	5,190
Total	<u>31,049</u>	<u>76,497</u>
Net	<u>\$ -</u>	<u>\$ -</u>

Furthermore, of the total contributed goods and services listed above, contributed services were an immaterial amount. Also, the services provided by volunteers to operate the Organization and teach business courses are not reflected in the financial statements since they do not meet the criteria for recognition.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 3 CONTRIBUTED GOODS AND SERVICES (CONTINUED)

The Organization received the following contributions of nonfinancial assets for the years ending June 30:

	2025	2024
Office Supplies	\$ 185	\$ 198
Outside Services	62,025	107,204
Interest	-	24,671
Rent	17,865	12,465
Auction	222,856	186,124
Scholarships	10,250	5,250
Volunteer Recognition	564	368
Materials	-	15,850
Total	<u>\$ 313,745</u>	<u>\$ 352,130</u>

Outside services, rent, and volunteer recognition are recognized as in-kind revenues at their estimated fair value if they create or enhance nonfinancial assets or they require specialized skills that would need to be purchased if they were not donated. The Organization received contributed educational services that are reported using current rates for similar educational services. Office supplies, interest, auction, scholarship, and materials are recognized as in-kind contribution revenue. The Organization valued these items at current market rates for similar items.

NOTE 4 PROMISES RECEIVABLE

Promises receivable are summarized as follows at June 30:

	2025	2024
Total Promises Receivable	\$ 417,175	\$ 852,727
Less: Adjustment to Present Value of Future Cash Flows	(3,856)	(5,600)
Promises Receivable, Net	413,319	847,127
Less: Current Maturities of Promises Receivable	(311,175)	(725,227)
Noncurrent Maturities of Promises Receivable	<u>\$ 102,144</u>	<u>\$ 121,900</u>

The discount rate used to determine the present value of promises receivable represent risk-free interest rates ranging from 3.68% to 4.24% at June 30, 2025, and 4.33% to 4.52% at June 30, 2024, applicable to the years in which the promises are received.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 4 PROMISES RECEIVABLE (CONTINUED)

Payments on promises receivable at June 30, 2025 are expected to be received as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2026	\$ 311,175
2027	94,000
2028	12,000
2029	-
Total	<u>\$ 417,175</u>

Promises receivable is comprised of the following at June 30:

<u>June 30, 2025</u>	<u>Without Donor Restrictions</u>	<u>With Donor Restrictions</u>	<u>Total</u>
Current Maturities of Promises Receivable	\$ 180,652	\$ 134,379	\$ 315,031
Noncurrent Maturities of Promises Receivable	-	102,144	102,144
Total	<u>\$ 180,652</u>	<u>\$ 236,523</u>	<u>\$ 417,175</u>
 <u>June 30, 2024</u>			
Current Maturities of Promises Receivable	\$ 412,327	\$ 318,500	\$ 730,827
Noncurrent Maturities of Promises Receivable	-	121,900	121,900
Total	<u>\$ 412,327</u>	<u>\$ 440,400</u>	<u>\$ 852,727</u>

NOTE 5 INVESTMENTS

Endowment funds that require the corpus to be retained and only the investment return to be used for program or administrative services are classified as with donor restrictions. The endowment funds' accumulated earnings in excess of the original value of all gifts have been restricted by the donors to support the programs and are considered net assets with donor restrictions until appropriated for expenditure by the organization, at which time they are reclassified to net assets without donor restrictions.

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could affect the amounts reported in these financial statements.

See Note 6 for a schedule of the Organization's detailed investment holdings as of June 30, 2025 and 2024.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 6 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Organization are deemed to be actively traded.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 6 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value as of June 30, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds / EFTs:				
Money Market/Deposit Accounts	\$ 1,289,870	\$ -	\$ -	\$ 1,289,870
Equity:

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 7 PROPERTY AND EQUIPMENT

Property and equipment consists of the following at June 30:

	Estimated Useful Lives	2025	2024
Land	N/A	\$ 860,406	\$ 860,406
Buildings and Improvements	15 to 40 Years	7,772,056	7,772,056
Equipment	3 to 7 Years	1,439,605	1,332,414
Furniture and Fixtures	7 Years	716,911	709,570
Vehicles	5 Years	41,071	41,071
Total		<u>10,830,049</u>	<u>10,715,517</u>
Less: Accumulated Depreciation		<u>(3,564,521)</u>	<u>(3,237,679)</u>
Property and Equipment, Net		<u>\$ 7,265,528</u>	<u>\$ 7,477,838</u>

Depreciation expense for the years ended June 30, 2025 and 2024 was \$326,842 and \$329,909, respectively.

NOTE 8 RETIREMENT PLANS

The Organization sponsors a 401(k) retirement plan covering all eligible employees. The Organization made approximately \$69,000 and \$65,000 in contributions to the Plan during the years ended June 30, 2025 and 2024, respectively.

NOTE 9 NET ASSETS WITH BOARD DESIGNATIONS

Net assets without donor restrictions – board-designated consist of the following as of June 30:

	2025	2024
Pieper Challenge Fund	\$ 4,303,613	\$ 4,004,362
Racine District	567,754	567,754
Northeast District	45,103	110,871
Brown District	124,805	117,441
East Central District	292,094	272,486
Northcentral District	1,012,720	861,687
Rock District	145,515	116,264
Capstone	454,289	454,289
Northwest District	541,265	427,811
Coulee	161,249	148,454
Other	473,933	477,771
Total	<u>\$ 8,122,340</u>	<u>\$ 7,559,190</u>

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 10 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of the following as of June 30:

	2025	2024
Time Restricted Contributions	\$ 572,786	\$ 604,632
Pamela and Leslie Muma Scholarship Fund	592	534
Capstone Project /Endowment	2,752,144	2,868,132
Pieper Family Fund	1,942,798	1,834,824
Wolf River Endowment Principal	150,000	150,000
Total	<u>\$ 5,418,320</u>	<u>\$ 5,458,122</u>

Net assets released from restrictions of \$1,100,351 and \$1,256,388 during the years ended June 30, 2025 and 2024, respectively, related primarily to the expiration of time restrictions and the fulfillment of restrictions. The following amounts included in the above table as of June 30, 2025 are perpetual in nature: Capstone Project/Endowment - \$1,341,287; Pieper Family Fund - \$1,668,939; Wolf River endowment principal - \$150,000. All remaining amounts are temporary in nature.

NOTE 11 PIEPER ENDOWMENT

In 1996, Suzanne and Richard Pieper endowed \$500,000 (Pieper Family Fund) to Junior Achievement of Wisconsin, Inc. The Board of Directors of Junior Achievement of Wisconsin, Inc. (Board) had subsequently board-designated \$1,000,000 in fund balances (Pieper Challenge Fund). Under the terms of the endowment, Junior Achievement of Wisconsin, Inc. is allowed to use half of the appreciation on the value of the funds in their operations. The remaining half must be used to increase the basis of the endowment. For the fiscal years ended June 30, 2025 and 2024, \$104,702 and \$-0-, respectively, has been transferred into both net assets with and without donor restrictions for the Pieper Family Fund. For the fiscal years ended June 30, 2025 and 2024, \$188,638 and \$177,943, respectively, has been released from restriction for the Pieper Challenge Fund.

Since the inception of the Pieper Family Fund and the Pieper Challenge Fund, through June 30, 2025 Junior Achievement of Wisconsin, Inc. has received \$1,172,536 and \$2,688,988, respectively. On June 30, 2025, the balance in the Pieper Family Fund is \$1,942,798 all of which is with donor restrictions. On June 30, 2025, the balance in the Pieper Challenge Fund is \$4,303,613 all of which is without donor restrictions – board-designated.

The average annual returns through June 30, 2025 on these funds are as follows:

	Inception Date	1 Year	3 Years	5 Years	10 Years	15 Years	Since Inception
Pieper Family Fund	5/17/1996	6.12%	11.82%	12.91%	10.06%	11.56%	8.23%
Pieper Challenge Fund	10/3/1996	7.40%	12.27%	13.18%	10.19%	11.65%	9.38%

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 12 ENDOWMENTS

The Organizations' endowments consist of funds established for a variety of purposes, which includes the Pieper Endowment (see Note 11). The endowments include both donor-restricted endowments and funds designated by the board of directors to function as endowments. Net assets associated with endowments, including board-designated funds to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Organization pools the endowment funds with other funds at the Organization and invests the monies available in various mutual funds (including money market, equity, and fixed-income) following the Organization's investment policies.

The Organization follows the enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (Act) for guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization. Wisconsin adopted the Act on July 20, 2009, and requires that in making decisions to appropriate or accumulate monies in endowment funds, the Organization shall act in good faith, with care that an ordinarily prudent person in a like position would exercise under similar circumstances, to preserve the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization has reported the original value of all gifts as donor-restricted contributions and will continue to report the original value of all subsequent gifts as donor-restricted contributions.

Accumulated earnings in excess of the original value of all gifts have been restricted by the donors to support the programs and are considered net assets with donor restrictions until appropriated for expenditure by the organization, at which time they are reclassified to net assets without donor restrictions.

The Organization has adopted an investment policy to provide for long-term growth of principal while avoiding excessive risk and to achieve returns in excess of the rate of inflation. More specifically, the return goal is to exceed an absolute real rate of return of 5.5%. Availability of funds for spending by the Organization will equal 5.5% in Milwaukee, and 5.0% in the Areas and in Capstone, of the trailing 20-quarter average determined on March 31 of each year for the following fiscal year.

Per the Capstone Endowment policy, a release of \$115,955 and \$104,691 was made during the years ended June 30, 2025 and 2024, respectively. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities as well as cash. Investment risk is measured in terms of the total endowment fund, investment assets and allocation between asset classes and strategies are managed by management to not expose the funds to unacceptable levels of risk.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 12 ENDOWMENTS (CONTINUED)

The balance in the endowment investment funds consists of the following net asset classifications at June 30, 2025:

	Without Donor Restrictions Board- Designated	With Donor Restrictions	Total
Donor-Restricted Endowments	\$ -	\$ 4,368,170	\$ 4,368,170
Board-Designated Endowments	8,122,340	-	8,122,340

NOTE 13 RELATED PARTY TRANSACTIONS

As discussed in Note 1, the Organization is affiliated with the national organization JA USA. As such, the Organization purchases class materials and insurance and is required to allocate a portion of their support to JA USA. During the years ended June 30, 2025 and 2024, the Organization paid JA USA approximately the following amounts:

	2025	2024
Public Support	\$ 367,000	\$ 369,000
General Insurance	43,000	28,000
Health, Dental and Life Insurance	272,000	355,500
Training/Other	-	500
Software Licensing	3,000	2,500
Total	<u>\$ 685,000</u>	<u>\$ 755,500</u>

In addition to the above, the Organization engages in related party transactions with companies of various board of director's members including, but not limited to human resource support, consulting, and banking services. These transactions occurred in the normal course on business. The total value of these transactions was \$114,500 and \$176,900 for years ended June 30, 2025 and 2024, respectively.

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 14 LINE OF CREDIT

The Organization has a \$1,000,000 line of credit with a bank, due on demand, with an interest rate of prime plus 1.40% and not less than 3%. Interest rate is 8.90% and 9.90% at June 30, 2025 and 2024, respectively. No amounts were outstanding against the line at June 30, 2025 and 2024.

NOTE 15 LEASES – ASC 842

The Company leases equipment as well as certain operating and office facilities for various terms under long-term, noncancelable lease agreements. The leases expire at various dates through 2029. In the normal course of business, it is expected that these leases will be renewed or replaced by similar leases. Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases.

Quantitative information concerning the Organization's lease for the years ended June 30:

	<u>2025</u>	<u>2024</u>
Operating Lease Cost	\$ 128,096	\$ 123,871
Operating Cash Flows from Operating Leases	125,520	121,006
Right-of-Use Assets Obtained in Exchange for Operating Lease Liabilities	41,982	45,971
Weighted Average Remaining Lease Term	3.60 Years	4.48 Years
Weighted Average Discount Rate	2.66%	2.74%

A maturity analysis of annual undiscounted cash flows for operating lease liabilities as of June 30, 2025 is as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2026	\$ 124,272
2027	110,033
2028	75,709
2029	58,856
2030	<u>21,406</u>
Undiscounted Cash Flows	390,276
Less: Imputed Interest	<u>(18,954)</u>
Total Present Value	<u>\$ 371,322</u>

JUNIOR ACHIEVEMENT OF WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 16 EMPLOYEE RETENTION CREDIT

On March 25, 2020, Congress passed the CARES Act that included the Employee Retention Tax Credit (ERC), a refundable tax credit against certain employment taxes equal to 50% of the qualified wages an eligible employer pays to employees after March 12, 2020, and before January 1, 2021. A 50% credit on employee wages up to \$10,000 can be claimed per year if the Organization is eligible for the credit. The Organization was eligible for the 2 quarters of 2020 and filed claims totaling \$201,461. During the year ended June 30, 2024, an additional \$16,540 was claimed. The amount included in accounts receivable as of June 30, 2025 and 2024 was \$0 and \$218,001, respectively. In September 2024, the Organization received \$266,871, which included interest of \$48,870.

The ERC grants are subject to eligibility review for up to five years from the date of claim. There is a reasonable possibility that upon subsequent review, the Internal Revenue Service could reach a different conclusion regarding the Organization's eligibility to retain the ERC credits received. That could result in repayment of the credits, interest, and potential penalties. The amount of liability, if any, from potential ineligibility cannot be determined with certainty. However, management is of the opinion that any review will not have a material adverse impact on the Organization's financial position.

NOTE 17 REVENUE

The following table shows the Organization's revenue disaggregated according to the timing of the transfer of services for the years ended June 30:

	2025	2024
Revenue Recognized Over Time:		
Class Sales	\$ 119,383	\$ 174,724
Student Fees	211,032	155,758
Total Revenue Recognized Over Time	<u>\$ 330,415</u>	<u>\$ 330,482</u>
Revenue Recognized at a Point in Time:		
Special Events	<u>\$ 91,650</u>	<u>\$ 103,500</u>

NOTE 18 LITIGATION

The Organization is a defendant in a legal action. While the final outcome cannot be determined at this time, management is of the opinion that the ultimate liability, if any, from the final resolution of this matter will not have a material effect on the Organization's financial statements.

CLA (CliftonLarsonAllen LLP) is a network member of CLA Global. See CLAGlobal.com/disclaimer. Investment advisory services are offered through CliftonLarsonAllen Wealth Advisors, LLC, an SEC-registered investment advisor.

Form **8868**
(Rev. January 2025)

Department of the Treasury
Internal Revenue Service

**Application for Extension of Time To File an Exempt Organization
Return or Excise Taxes Related to Employee Benefit Plans**

File a separate application for each return.
Go to www.irs.gov/Form8868 for the latest information.

OMB No. 1545-0047

Electronic filing (e-file). You can electronically file Form 8868 to request up to a 6-month extension of time to file any of the forms listed below except for Form 8870, Information Return for Transfers Associated With Certain Personal Benefit Contracts. An extension request for Form 8870 must be sent to the IRS in a paper format (see instructions). For more details on the electronic filing of Form 8868, visit www.irs.gov/e-file-providers/e-file-for-charities-and-non-profits.

Caution: If you are going to make an electronic funds withdrawal (direct debit) with this Form 8868, see Form 8453-TE and Form 8879-TE for payment instructions.

All corporations required to file an income tax return other than Form 990-T (including 1120-C filers), partnerships, REMICs, and trusts must use Form 7004 to request an extension of time to file income tax returns.

Part I - Identification

Type or Print File by the due date for filing your return. See instructions.	Name of exempt organization, employer, or other filer, see instructions. JUNIOR ACHIEVEMENT OF WISCONSIN, INC	Taxpayer identification number (TIN) 39-0826295
	Number, street, and room or suite no. If a P.O. box, see instructions. 11111 WEST LIBERTY DRIVE	
	City, town or post office, state, and ZIP code. For a foreign address, see instructions. MILWAUKEE, WI 53224	

Enter the Return Code for the return that this application is for (file a separate application for each return) **01**

Application Is For	Return Code	Application Is For	Return Code
Form 990 or Form 990-EZ	01	Form 4720 (other than individual)	09
Form 4720 (individual)	03	Form 5227	10
Form 990-PF	04	Form 6069	11
